Pod -

well the year has suddenly come to an end
and you know what that means. The end of
fun & games in 5th period! Two years of art
together - thank God you were in the class. We
were yelled at more than our share of times but
somehow the laughs out numbered them by far.

you might polish up on your back hand.
cause if I see you duxing around the tennis courts
this summer I might drop over and let you
hit a few to a real pro. (Oh boy, that's it!)

we have alot in common, Pod, we're
both beer graced with a real heart to heart, in
the hall type, talk with Polo! But seriously
this year's been alot of fun and Art class won't be
the same if your transfer comes through (Chin up
I'll have to make it alone.) Have a wonderful
summer - See ya on the tennis courts.

The morning of life is like the dawn of day -- full of purity, of
imagery and harmony.

—Lord Chesterfield

A light is sent forth beyond the sight of man. It reaches into the morrow that is beyond the dimension of time, the morrow that stands as a challenge to youth.

This light is the flame of knowledge which pierces the darkness where ignorance and misunderstanding persist. It is our duty to guard this flame closely lest it be extinguished amid the pitfalls of apathy and prejudice that plague our world. To preserve this light we call upon our friends, our families, our teachers, and our God for aid. We also call upon the innocent and adventuresome spirit of youth to help us overcome the many shadows that are cast over today's world.

We must persevere in meeting this challenge successfully, so that the wondrous light shall be cherished eternally.

Faculty and Administration

Our Chief Administrators

Dr. Mark C. Wayne

Mr. Paul B. Wagner

Dr. Wayne and Mr. Wagner:

Good administration is necessary for the guidance of our school's future, and we are fortunate to have Dr. Mark Wayne as Superintendent of Schools and Mr. Paul Wagner as Principal, two very able administrators. Dr. Wayne graduated from Slippery Rock College in Pennsylvania, receiving a Bachelor of Science degree. He received a Master's degree from the University of Pittsburgh, and a Ph.D. from Temple University. He served in the armed forces, taught Physical Education, Social Studies, and Science in schools in Pennsylvania and New Jersey, and was an administrator in New Jersey for ten years before coming to North Syracuse as Superintendent in the spring of 1964.

Mr. Wagner graduated from Wheaton College with a Bachelor of Science degree, and received his Master's from Syracuse University, where he taught Physics. At North Syracuse, he taught Science before becoming Vice-Principal. The year 1966 has special significance for Mr. Wagner, as it is the tenth year that he has been with us.

We wish both him and Dr. Wayne many more productive and innovating years at N.S.

SITTING: Mr. Vogel, Dr. Wayne, Mrs. Woollis — President; Mr. Martin, Mr. Colarocco — District Clerk. *STANDING:* Mr. Kimball, Mr. Bradley — Assistant Superintendent; Mr. Papworth, Mr. Broyles, Mr. Williams, Mr.

Mahar, Mr. Luchsinger — Business Manager; Not pictured: Mrs. Crowley, Mr. DeLaney.

The Board of Education

The members of our board of education, representing the diversified background of the community are acutely aware of the continual need for innovations in education today. These hard-working, self-sacrificing citizens are dedicated to bringing to this district the highest quality of education by preserving that which has been proven, scrutinizing that which is doubtful, and imitating that which has the potential to succeed.

The Vice Principals

Social Studies

Our North Syracuse Social Studies Department offers World History for sophomores, American History for juniors, and a variety of courses for seniors. Perhaps this latter selection of courses exemplifies the department as outstanding. Our fortunate seniors can take either advanced placement in American History, Economics, Problems of Democracy, Sociology, Foreign Relations, English History or Russian History.

ey.

Under the careful guidance of the Social Studies teachers, the student is aided in gaining a better understanding of the world around him. It is through the study of past events and formal principles of government and culture that we are prepared for our roles as leaders of tomorrow's world.

FRONT ROW: Miss Tracey, Mrs. Meyer. ROW 2: Mr. May, Mrs. Graves, Mrs. Dierks, Mr. Goessling.

Mrs. Katzmann

Speech Therapy

Speech therapy, directed by Mrs. Katzmann, was established to help students who need aid in overcoming speech defects. Students are guided to clearer speech by tongue and speech exercises and by everyday care in pronunciation. Speech therapy improves scholastic work because it helps the student to express himself more clearly.

Health

The task of the health department is to help the student gain an insight into the wonders of human anatomy. Under the careful guidance of Mrs. Schubeck and Mr. Martig, health students come to more fully understand the intricacies of the body and the value of maintaining high health standards.

Mrs. Schubeck, Mr. Martig.

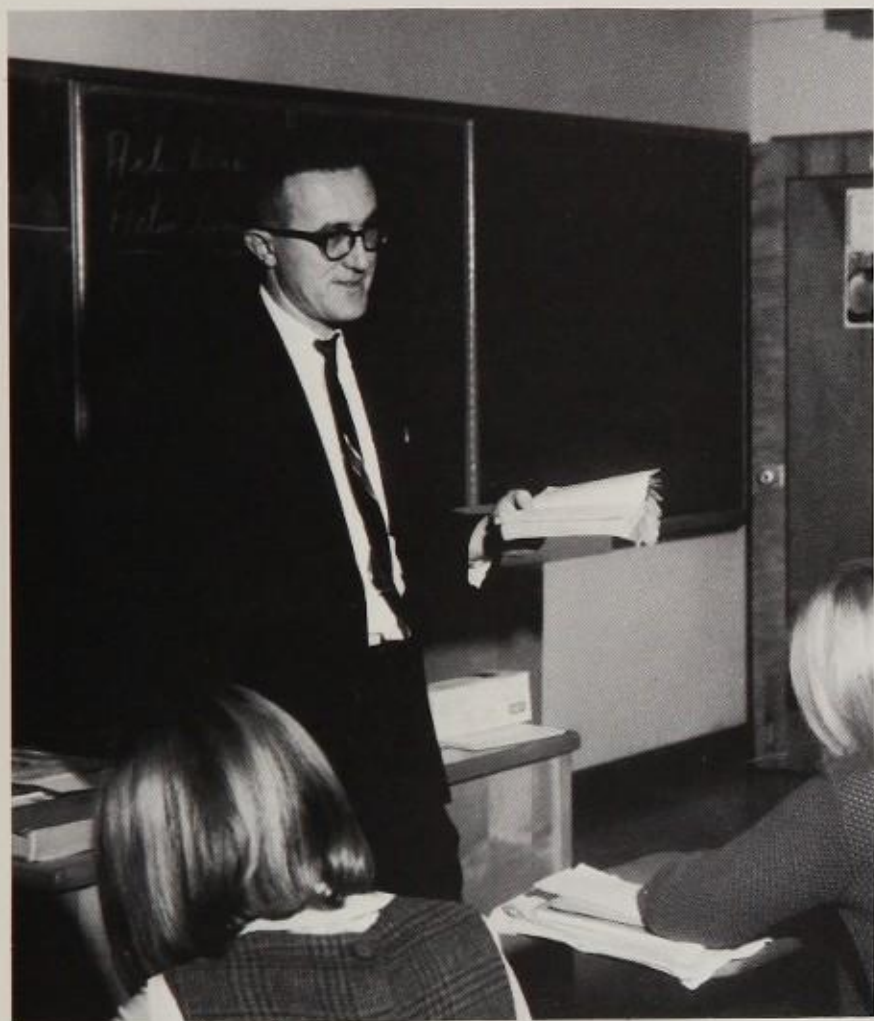

Mr. Dierks, Mr. Guido.

Driver Education

Learning to drive an automobile is no longer a simple game or a luxurious pastime. Our driver education department presents the beginning driver with the rules of the road and with guides to common courtesy and auto maintenance. Through both classroom and car instruction the student is provided with a better understanding of his responsibility as a driver.

FRONT ROW: Miss Lawton, Mrs. Kingsley, Mrs. Merriam, Mrs. Jones. ROW 2: Mrs. Chappell, Mr. Pagliaro, Mr. Kirnie, Mr. Paccone.

English

Our language is a means of self-expression through which we are enabled to be creative; the better our understanding of a vital language is, the higher the level of creativity we can attain.

Our outstanding English Department at North Syracuse offers not only the basics of grammar and composition, but also a chance to explore literature, dramatics, public speaking, debating, and journalism. Through the careful supervision and instruction of our English staff, we are provided with a strong foundation in self-expression for all our future endeavors.

Science

SITTING: Miss Williams. *STANDING:* Mr. Tilton, Mr. Manwell, Mr. Wheatley, Mr. Thames, Mr. Pinti, Mr. Baner.

Every scientific discovery broadens man's perception of an infinite horizon. We must be aware of the ever expanding accumulation of scientific knowledge, for a rapidly changing world demands not only that we make use of this knowledge but that it is put to use in helping the unfortunate, the downtrodden and the underprivileged.

But using this knowledge is only one side of the coin. Without continued research, without breakthroughs, without new contributions to scientific knowledge, improvement and development will give way to stagnation, and our responsibilities will go un-met.

At N.S.C.H.S. our science department stands ready to give us the intellectual apparatus and stimulus to ignite within us a basis of light so that we may proceed in one of our age's important endeavors.

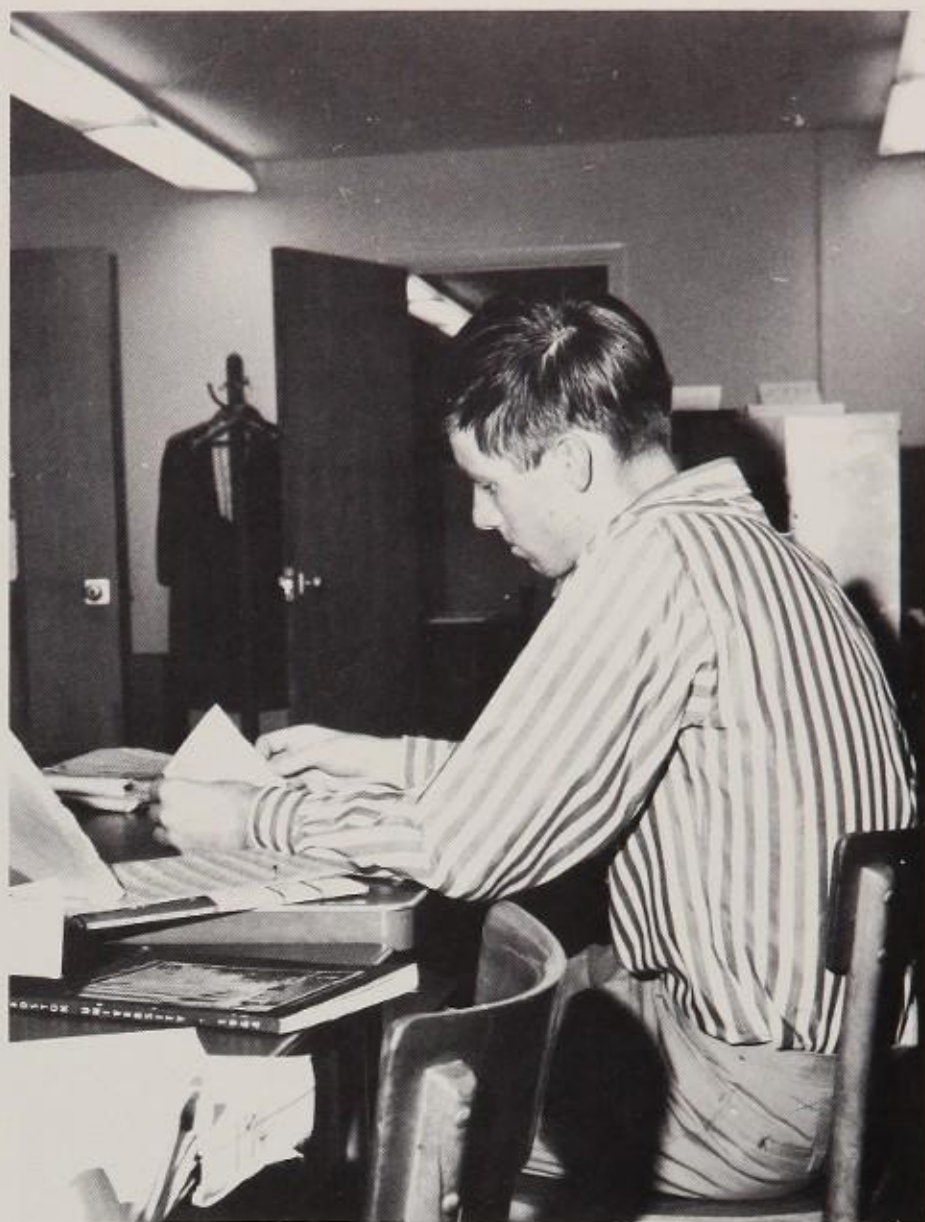

SITTING: Mr. Faraci. *STANDING:* Mr. Fogarty, Mr. Owens, Mr. Drencho, Mr. Anderson, Mr. Cafiero, Mrs. Regan.

that we may proceed in one of our age's important endeavors.

Mr. Olney — Head of the Guidance Department.

Guidance

That day when we pass through the doors of graduation and forever leave the portals of N.S.C.H.S., our paths will have been determined in no small degree through the guidance of our counsellors, who have helped in formulat-

ing and molding our plans and who have been instrumental in co-ordinating our course programs with these objectives, so that our undertakings, whatever they may be, will have purpose and direction culminating in success.

FRONT ROW: Mr. DuBois, Miss Meagher, Mr. Marshall. ROW 2: Mr. Aanonsen, Mr. Hough, Mr. Ploskonka.

Industrial Arts

Geared to the varied skills and interests of a large number of students, the industrial arts program offers valuable training in many fields of endeavor. Through the guidance and supervision of a staff of highly trained instructors, the industrial arts student becomes efficient in his particular field of study.

From auto-mechanics to carpentry, the careful training which the student receives under our school's many sided industrial arts program will serve him throughout his life.

BOTTOM ROW: Mr. Zwick, Mr. Vaughn, Mr. Pizzuto, Mr. Lojewski. *ROW 2:* Mr. Miller, Mr. Watson, Mr. Wiemeier, Mr. Smith.

BOTTOM ROW: Miss McMahon, Mrs. Medicis, Miss Devine. ROW 2: Mrs. Smoke, Mrs. Bradley, Miss Hiller.

Homemaking

Designed to inform and enlighten the student in his capacity as the prospective adult of the future, the homemaking courses attempt to present for careful study the problems and experiences which one is likely to encounter in later life. From family living to foods to child care, it aids the student in developing concepts and skills to be used in dealing with nearly every phase of life.

Flexible and ever-changing, homemaking provides a vivid picture of the contemporary American family as it exists at the present and as it may exist in the future. In helping the student to acquire a more mature attitude toward the home and its members, homemaking performs a valuable service toward tomorrow's society.

Mr. Ivers, Mr. DeAngelo, Mr. Surdell.

Art

The Art Department at North Syracuse endeavors to provide the student with an opportunity for creative expression, utilizing not only established techniques but also experimenting with individual interpretation.

SEATED: Mrs. Eggleston. STANDING: Mr. Haag, Mr. Codner, Mr. Cervine.

Music

The musical program offered at North Syracuse is one of the finest to be found. Diverse and stimulating as the subject it teaches, this department has expanded to include the vocal, instrumental and theoretical aspects of music. Under the guidance of the Music Department, students are given the opportunity for further developing their abilities. The Music Department also provides those who are unable to directly participate in its courses with a great deal of listening pleasure by means of a number of annual concerts.

ROW 1: Miss Agne, Mrs. Fasoldt, Mrs. Porubek. ROW 2: Mr. Sorensen, Mr. Dickinson, Mr. Robbins, Mr. Keller, Mr. DiNunzio, Mr. Erb, Mr. Todd.

Mathematics

Mathematics is one of man's oldest studies, and yet it is also one of the most modern sciences in the world. Constantly developing into new and diverse branches, it utilizes man's ability to digest both concepts and facts and

then to make practical applications with the knowledge he has acquired. The Mathematics Department at North Syracuse strives to bring the wonders of mathematics to the students.

ROW 1: Miss Tabolt, Mrs. Hall, Mrs. Kamp. ROW 2: Mr. Marsh, Mr. Cortese, Mrs. Adams, Mr. LaLonde. ROW 3: Mr. Tuttle, Mr. Warren, Mr. Antes.

Business

Besides being comprised of academic, cultural and physical subjects, a well defined and whole education must not exclude the pragmatic. This aspect of our education is par-

tially filled by the courses offered through our Business Department, which abounds in quality teaching, progressive methods and modern equipment.

Mrs. Hemkes, Mrs. O'Dell, Mrs. Swire, Miss Orendarenko, Mr. Melgier, Mr. Papalia, Miss Piccione, Mr. Durrschmidt, Mrs. Keenan, Mr. Meier.

Language

With the dawn of jet travel and instant communication via satellite, the earth has become smaller indeed. Because of this, man is now finding himself in the position of back-door neighbor to people a half a world away.

As a result, the study of language has infinitely increased in importance. Through the complete program of lan-

guages offered at our school, and with the aid of a competent staff of instructors, we are able to gain a clearer insight into the daily lives and customs of our new neighbors and we become more fully able to assume our roles as the future leaders of a world-wide society.

FRONT ROW: Mr. Bader, Mr. Herlosky, Mr. Tucci. ROW 2: Miss Palma, Mrs. Fuller, Miss Klaskin.

Physical Education

The physical education department's program at North Syracuse Central High School is an integral part of each student's development. This aggregate program provides ability grouping and team teaching, thus enabling each student under expert tutelage to accomplish successfully his objectives at a rate most suitable to him and in a manner most propitious to his future physical well-being.

Dental Hygienists

Reclining in a soft leather seat and opening our mouths wide, we often make our views known, but during annual dental inspection time we can do no more than gaze into the proficient countenances of either Mrs. Young or Mrs. Settinari and smile a thank you in appreciation for another fine service being rendered for us.

Mrs. Young, Mrs. Settinari.

Mrs. Ingersoll, Mrs. Ferguson.

Nurses

Have you ever had a headache, a sprained ankle, or just not felt well? If so you've probably taken advantage of our well-equipped nurses' office. There, Mrs. Ferguson and Mrs. Ingersoll are available to help you.

Each year, over-all health is checked, including an eye and ear examination for every student.

Mr. Covey, Mrs. Smoke.

Mr. Gale

The Deans

The Dean's office, or "Discipline Clinic" is run by Mr. Covey and Mrs. Smoke. The purpose of the clinic is primarily to maintain order in our school. The Deans handle problems concerning the student-teacher relationships and will, if necessary, help students with any personal problems they might have.

Audio Visual

The Audio-Visual department increases the effectiveness of the teacher. The department is headed by Mr. Gale and staffed by student volunteers. Through movies, records, tape recordings, slides and transparencies audio-visual helps to illustrate subject matter and facilitate communications between teacher and student.

Mrs. Callahan, Mrs. Simeone.

Librarians

The passing of this year has witnessed the growth of an even greater capacity for service on the part of our school library. Besides the ever increasing number of volumes which have found their way to our library's shelves, there has also been additional time made available to students for independent research. Through the unselfishness and dedication of our librarians, we are now able to make regular use of our school's librarial facilities during after school hours and on weekends. This added service has proven to be a valuable assistance in our daily quest for the light of knowledge.

PTSA

The purpose of North Syracuse High's P.T.S.A. is the promotion of better understanding between teachers, parents, and students. One of the major activities of the Parent-Teacher-Student-Association is the Back-to-School Night at which parents can acquaint themselves with their child's school life.

STANDING: Mrs. Mizner, Mrs. Plewes, Mrs. Jaggar, Mrs. Abriel, Mrs. Clemens, Mrs. La Gessie, Mrs. Waite, Mrs. Gimlick, Mrs. Collins, Mrs. Wolff.

Secretaries

Our secretaries at North Syracuse are the right hand of the administration. Among their many duties are the answering of our constantly ringing phones and our often ri-

diculous questions. They take care of the thousand and one business details of everyday school life.

Mrs. Hopp, Mrs. Garrity, Mrs. Harris, Mrs. Hugar, Mrs. Crader, Mrs. Shephard.

Cashiers and Cafeteria Staff

North Syracuse Central High School considers itself lucky to have such accurate and efficient cashiers at work in our lunch line. Despite the widespread confusion, noise and hurry at lunch-time, these hard working women keep the lunch lines moving steadily and rapidly. For this, the hungry students are grateful.

The cafeteria staff at North Syracuse has the ominous task of feeding the faculty and student body of the largest central school system in the state. Each day they prepare two lunches, soup, sandwiches, salad plates and various desserts. Working quickly and efficiently, this staff provides well-balanced and appetizing meals for the students and faculty.

Hopp, Mrs. Hallack, Mrs. Peslen, Mrs. Wentworth, Mrs. Marzullo, Mrs. Reed.

Custodians

The job of the custodial staff at North Syracuse is both immense and complex. In addition to keeping the school clean and attractive, the custodians repair defective and worn out equipment, and perform such "extra curricular" activities as setting up the gym for special testing. In all phases of its work, the custodial staff does a fine job.

Traffic Officers

Due to the ever increasing number of students and teachers at North Syracuse, the "traffic situation" both inside and outside the school could become an enormous problem. However, under the fine supervision of our "outside men," all vehicle traffic is kept well under control, while inside the school building, Pops Plantz directs students to their proper rooms and helps keep school hall traffic moving.

The Mouse That Roared

Everyone eagerly prepared for November 19 and 20. On those nights the class of Kevin was to present the Junior Play "The Mouse That Roared," in rehearsal since October. Costumes had to be sewn, scenery to be drawn, and of course actors to be taught. With this thought in mind, committees were chosen and various talents discovered.

Several days before, tickets went on sale, announcements were distributed and posters inundated the walls. The school became the scene of short skits and advertisements. Both in and out of school we were informed of the play's progress. By Friday night we were all enthused and expectant.

At the doors we were greeted by pixies dressed as little mice. After receiving a program we worked our way down to an empty seat. On the way we stopped and excitedly chatted with friends. Everyone was animated. The committee members felt relieved that their work was finished, but now the climax of everyone's work was imminent. They knew their work had been good and were sure the play would measure up to their efforts.

As the lights dimmed and the curtain opened, we settled back for a delightful experience. We first saw *John Henry* as Tully Bascom, a young native of the obscure country of Grand Fenwick, whose queen, *Diane Whitney* was faced with severe financial problems. Several plans were discussed but the queen finally decided to attempt an unsuccessful invasion of the United States so that Grand Fenwick could receive foreign aid as a defeated enemy. The obvious candidate for leadership of the invading army is Tully Bascom.

Dressed in green forester outfits and armed with bows and arrows, the Grand Fenwickians invade New York City at noon during an air raid drill. To the surprise of the queen and her ministers, Tully returns victorious with several influential prisoners and the deadly "Q" bomb. The play ended happily and the audience shared the feelings of the actors. As we left, we knew we had enjoyed an evening well spent.

Spotlighting Junior Life

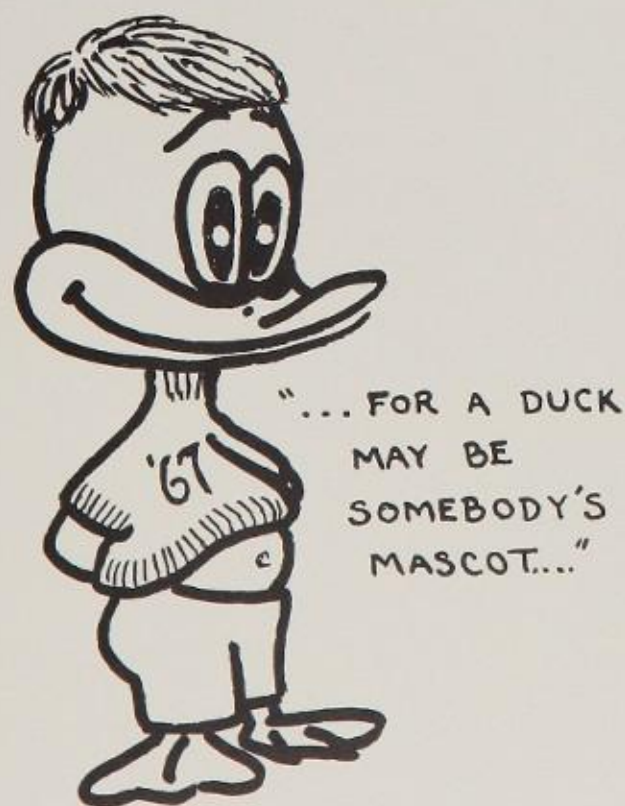

The dawn of their junior year shed its light upon an abundance of new experiences and challenges to be met by the Class of '67. With the spirit and pride which makes this class one of the fastest-rising in our school's history, the Juniors not only met and conquered these challenges, but created many new precedents in doing so.

One of Kevin's first innovations was a highly successful *Junior Parents' Night* held on October 4. On this occasion, the parents of the Juniors attended an informal meeting with the class advisors, Mr. DeLaney and Mr. MacDonald. There they were brought up to date on the current activities of the Junior class and informed of all impending Junior events.

Another of the Juniors' important contributions to our school life was their aid in boosting the morale of our football team at the B'ville game. As the class cheered from the sidelines, the Northmen beat the Bees by a score of 24 to 14.

On October 29, Kevin held its class dance, the *Halloween Hullabaloo*. This event rocketed to success with the vibrating music of Jerry and the Jaguars.

Other precedents set by the Class of '67 included the early sale of class sweatshirts and the sale of class mascot, Kevin. Juniors proudly donned their sweatshirts on *Junior Sweatshirt Day*, held early in the fall and conscientiously upheld the traditions of *Blue and White Day* soon afterward.

The Juniors' fall activities were brought to a glowing climax with the production of their class play entitled *The Mouse That Roared*. Enthusiastically supported by the entire class and eagerly awaited by all, this endeavor attained a triumphant apex through the hard work of a number of committees and the fine acting of John Henry, Diane Whitney and the supporting cast.

The year was highlighted by the fabulous Junior Prom. The many months of work and planning for this event resulted in a magical evening of never-to-be-forgotten experiences.

With the close of their Junior year, the members of the Class of '67 anxiously look forward to their promising future as seniors.

Student Council

The Student Council operates principally as a forum for ideas, a place where students can air their suggestions toward achieving better school relationships. Council members provide a link between the student body and the administration, aid our foreign student, lead school assemblies, and support a North Syracuse student living abroad through calendar and candy sales.

A.F.S. Committee

A.F.S. Committee is otherwise known as the Student American Field Service Committee. Its members help Maria Legues, our foreign student, feel at home in America and help solve any problems she may have. The AFS Committee also organizes *International Day* when foreign students from other schools come here to discuss their ways of life.

Band

The excellence of the North Syracuse Band can be attributed to the outstanding ability and talent of its members and the exceptional direction of Mr. Weed. Much night work and many long hours of practice are the by-

laws of the North Syracuse Band, and the high quality of their performances, both at games and at assemblies, is proof of their dedication.

Ensemble

The North Syracuse Ensemble is one of the finest high school ensembles in the area. Comprised of a number of extremely able musicians, and under the direction of Mr. Cervini, it annually presents a Winter Concert for the musical enjoyment and enrichment of all.

Mixed Chorus

North Syracuse's Mixed Chorus is comprised of a number of talented girls under the excellent direction of Mr. Haag. In participating in a number of performances including The Christmas Concert, these gifted girls are given an opportunity to further develop their own talents while bringing immeasurable enjoyment to the rest of the student body.

and Girls Chorus

The Girls' Chorus led by Mrs. Eggleston, brings to us the special sound of girls voices. It offers a wide range of vocal music from classical to modern, guaranteed to please any singer or listener. Here girls are provided with an opportunity to improve their voices through frequent practice and expert advice. They participate with other NSCHS choral groups before school and community audiences enthraling the thousands who annually trek to their performances. Again, their Christmas and Easter concerts were performed before S.R.O. audiences.

Select Choir

Through the exceptional talent of the Select Choir, North Syracuse, too, is alive with the sound of music. Under the expert direction of Mr. Haag, this group of musically-gifted students brings the world of song to the entire student body through a many-appearance musical schedule highlighted in the first semester by the annual Christmas concert and during the latter part of the school year by the Lenten Concert.

Sports

I'm glad we were in the same gym together this year, I really enjoyed every minute of it. Never forget Mr. Pekar & Mr. Matig. We have all the playing Bladshaw and Sunday in Basketball. We are the greatest. We keep up the good work to see you play in the first string on the football team next year. If you're not anything in the Spring next year, remember real good.

you could really be turned out to a good stick. That is if you get tired of your racket. I don't think you'll have a good tennis racket. See you next fall maybe this summer. I'll come up and watch your practice. It shall be fun. Good luck in your senior year. Bless you always. Dave Bader

The North Syracuse varsity football team did a tremendous job this year and wound up second in the league. Under the fine coaching of Mr. Pekar, Mr. Martig and Mr. Uhlig, and under the leadership of Captain Eric (Sudsy) Strom, the team ended the season with 5 wins and only 2 losses in league competition and an overall record of 5 wins and 3 losses. Two of the most outstanding players were fullback Bob Cooper and guard Larry Nels, who were both all-star selections.

Chosen for the all-county second team were offensive tackle Ron Tremaine, defensive guard Bill Teeter, and defensive halfback Eric Strom. Those who received honorable mentions are: Chuck Hafner, Don Starliper, Bill Dwyer, and John Migdal. Jeff Harvey, too, played outstandingly until he broke his leg in the third game. Others among the injury-ridden: John Unger, Chuck Hafner, Dave Bader, Bill Armstrong, and Gary Rainbow.

Despite the loss of so many valuable players, the team put forth its best effort and bowled over Liverpool, B'ville, FM, ES-M, and West Genesee. It is not surprising that there were 28 lettermen this season, including 14 from the senior ranks. North Syracuse can be proud of such a determined and hard-working team.

The 1965-66 football season produced what was perhaps the most dedicated and most diligent Junior Varsity team in the history of North Syracuse. In fact, the boys were so busy with practice they didn't even have time to dress in full uniform for their yearbook picture!

The many extra hours spent in training paid off, however, as our Junior Varsity Football team succeeded in capturing first place in the league with a 5-1-1 record. In addition to the skilled coaching of Mr. Bader and Mr. Wilson, the team's success can be attributed to co-captains Geddid and Cavise, Larry Palmieri, John Witz, and many others.

Through the efforts of this spirited and hard-working team, we can be assured that many great football seasons will follow.

Coach Ivers and Captain Dan Butterfield.

Cross-Country

At North Syracuse, cross-country fielded two teams: the Tuesday Varsity, posting 20 wins and 10 losses; and the Saturday Varsity, finishing up with 72 wins and 52 losses.

Highlights of the Tuesday schedule were victories over FM (19-54) and ESM and Liverpool (37-39-48). Mike Mather set a school record of 13-0 on the FM course.

The boys took over 4th place in a meet in which 13 schools participated. John Palumbo set another record for NS at this meet on the Lafayette course.

The Saturday Varsity took 11th place among 29 contestants in the B'ville meet and broke a school record at McQuaid. Dan's fine performance at the Nottingham meet, in which 14 schools competed, put him in 4th place and set another school record. The team put forth its best effort at the Section III Championship and captured 3rd among 16 Class A schools. Dan placed 13th, Daryl David 17th, and Dave Oertel was 18th. Coach Ivers summing up the '65 season said that "it was a good season and a fine team."

Soccer

The soccer team, coached by John McDonald, was undefeated until the last game of the season. The loss to the also undefeated FM team was only the second county loss for the Northmen over the past two seasons. NS finished in second place with a 7-1-2 record in league play and an overall record of 9-1-2.

The leading scorers on the team were Jim Pierson, Captain Rick Pilger, and Frank Guido. Outstanding defensive players were Carl Jacobs, John Jones, and Dave Hancock, with Skip Kenny doing a commendable job in his first year as goalie.

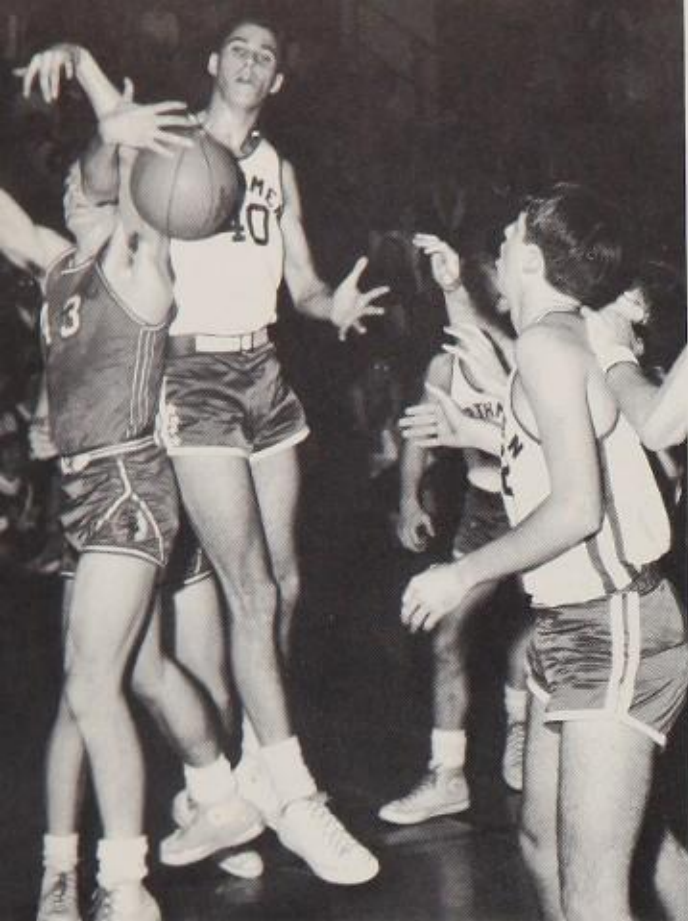

These impressive figures are indicative of the skill and fighting spirit which the boys on our soccer team possess.

With Mark Root, team captain, and Coach Bader, our rambunctious Varsity had one of its best seasons in recent years. Although the team was small in terms of height, it proved equal to every challenge the county could present. Led by the sure ball-handling of Senior Skip Kenney and Junior John Unger, and with notable backs the likes of Mark Root, Ken Goessling and Ted Godsil, N.S. had a memorable season. As a team they co-ordinated their skills effectively while emanating a pride in both the school they represented and the victories they earned.

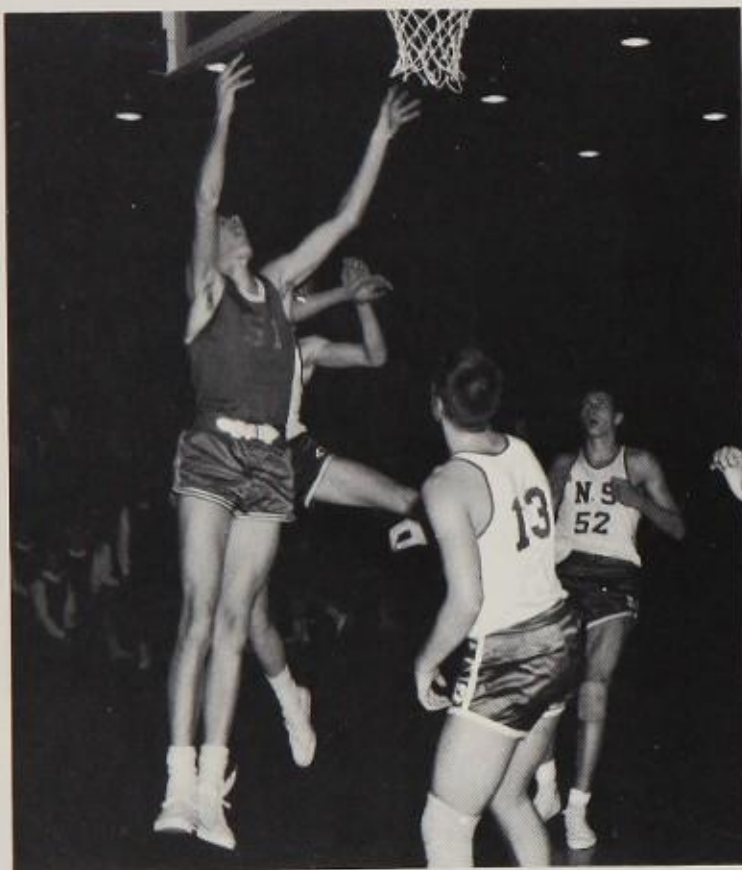

Junior Varsity Basketball

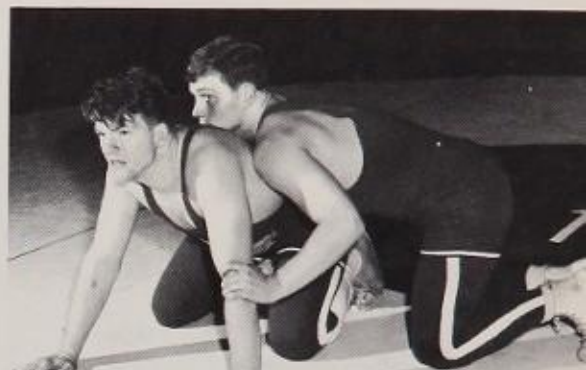

Under the watchful eye of Coach Martig, this year's J.V. Basketball team, is also developing an understanding for efficacious and harmonious group effort so especially necessary in this world whose peoples are involved to ever greater measure in social intercourse.

Our "guys" can be seen nightly on the courts practicing to develop the skill and timing that is so essential to a good basketball team. Our congratulations go to Coach Martig on the fine work he has done, and our admiration is reserved for a team that worked hard and brought glory to North Syracuse.

Wrestling

The muscles of North Syracuse are again on the mats, working toward another victorious season. Although wrestling is often viewed as a sport involving only brawn, our N.S. wrestlers are also noted for having "brains", for it takes intelligence along with muscle to out-wit and out-anticipate the moves of the opponent.

By its very nature, wrestling depends more on individual

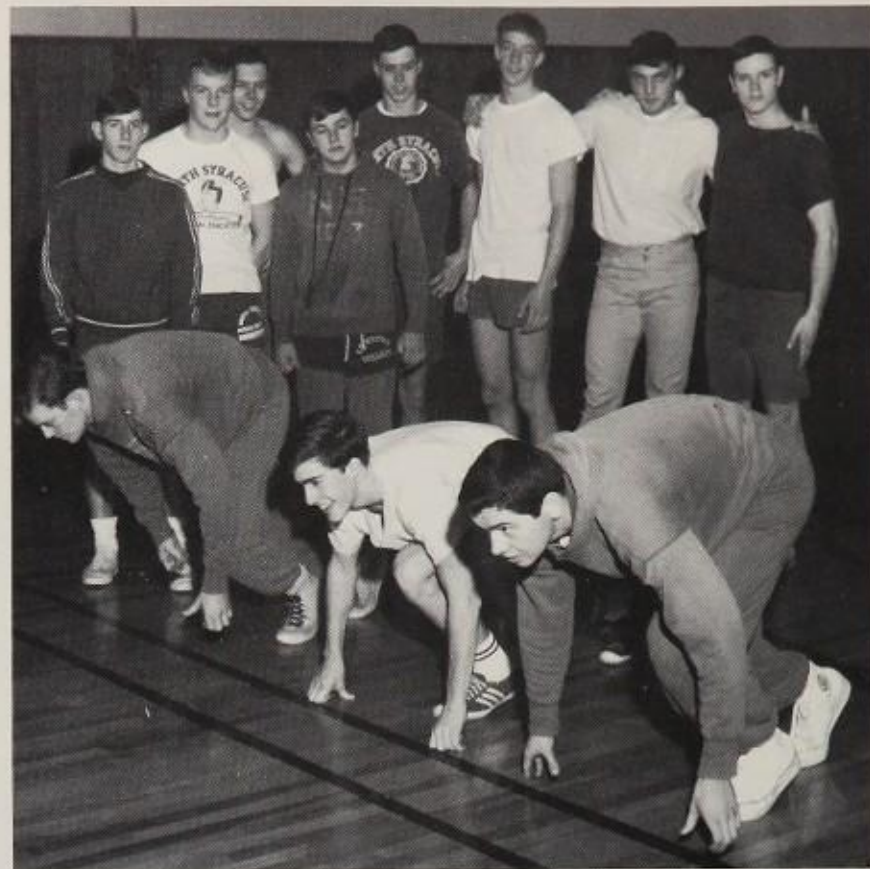

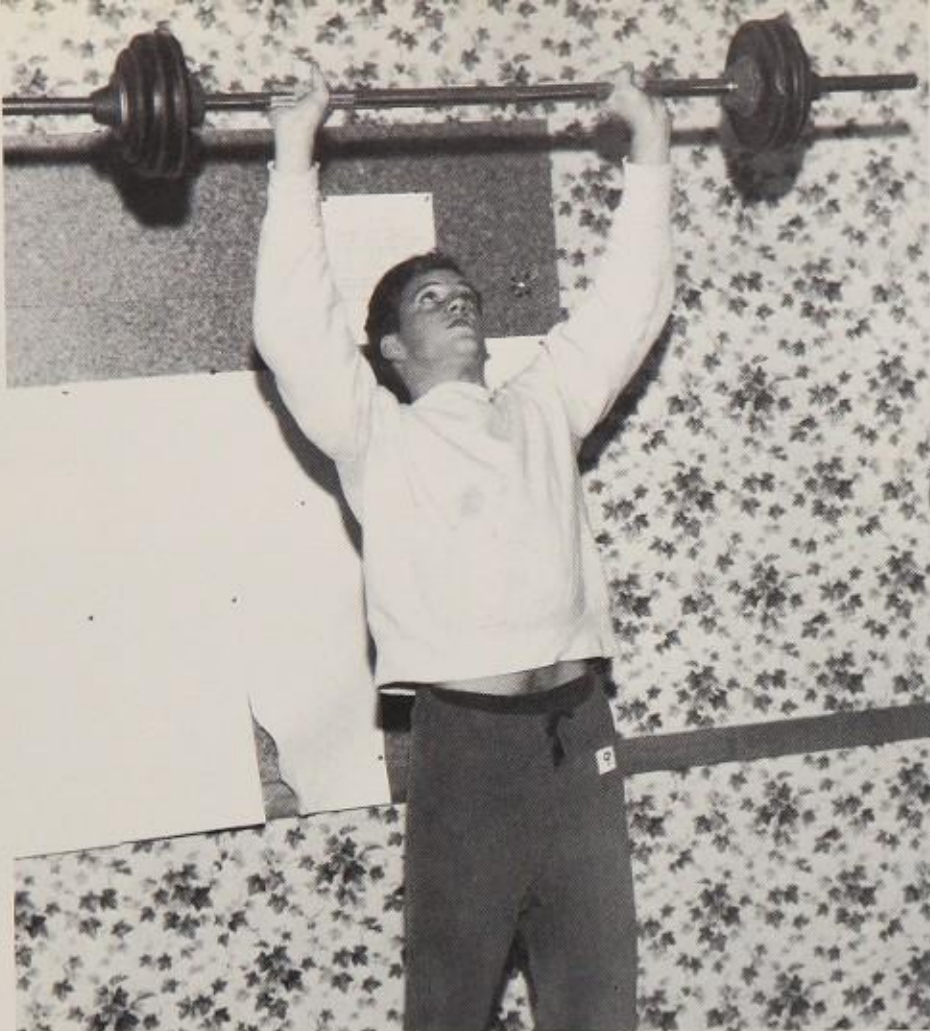

prowess than team effort; a sport in which each person primarily contributes to the team's total.

Our N.S. wrestlers, led on by Coach Erb and captains Cooper and Schuler, have proven they have the skill to out-muscle and out-score their foes, so we anticipate another season "coming out on top."

Gymnastics

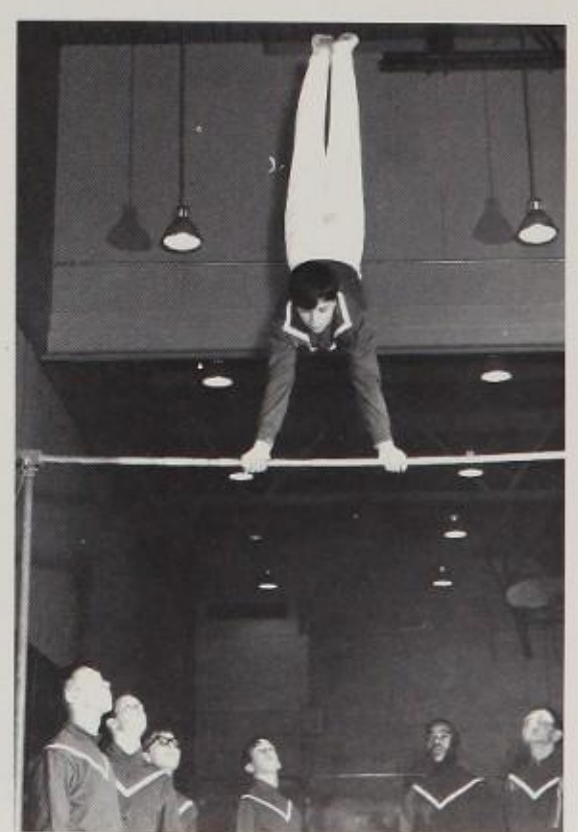

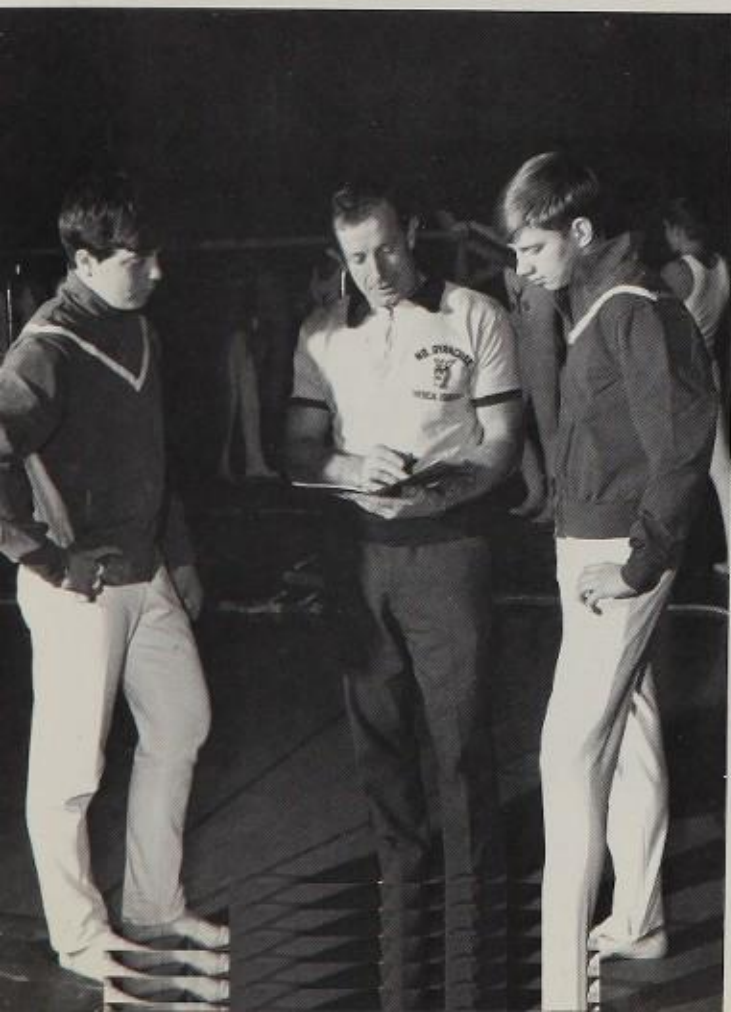

Gymnastics is an increasingly popular sport here at North Syracuse. It gives the participants the opportunity to develop their innate talents to the fullest extent and enables them to test their degree of perfection through competition with members of their own squad and the gymnasts of other schools. The boy who makes a good showing at any meet has the satisfaction of knowing that his achievement is based solely on his personal arduous endeavors.

Under the able direction of Coach Covey and the leadership of co-captains Larry DelConte and Chris Tanski, this year's N.S. gymnasts evidenced great skill and mastery as they continually triumphed over their successive rivals. The continual hard work and tireless energy of our gymnasts was well rewarded with a fine record of team and personal triumphs of which our school can be justly proud.

With Larry Unger at the helm, the Varsity Baseball Team had a very successful season, losing only two games. Coach Tucci was proud of the efforts of his team and the good record they compiled. He is looking forward to an even better season this year with power hitters Rick Pilger, John Unger, and many promising players coming up from the J.V. team.

We at N.S., too, are proud of the fine efforts displayed by the team and by Coach Tucci, and certainly give credit for all the hard work and effort they devote to this sport of skill.

Our J.V. Baseball team came up with another winning season this past spring. Showing a determination for working and winning, their hustle and sportsmanship exemplified the true spirit always found here at N.S.C.H.S. We are looking forward to cheering them on as they take their deserved position on the "big nine" this coming spring.

Among high school students, Lacrosse is undoubtedly one of the fastest rising sports in both popularity and participation. Recently admitted into our athletic program, Lacrosse became a varsity sport with North Syracuse's entrance into the Onondaga County League in 1964.

This sport demands speed and stamina, while placing more emphasis on team play than on individual skill; however, the goal of each player still is to become an expert.

Under the guidance of Mr. Herlosky, and through the outstanding ability of Jeff Harvey, Bill Armstrong, Bob Cooper, and Chris Tanski, among others, our Lacrosse team is preparing for the not too distant day when we shall take our place among the pre-eminent teams in the league. As if this is not a big enough attraction, Lacrosse will be played under the lights, thus assuring increased attendance and aroused backing.

This is only the third season for tennis at N.S., but the team has a magnificent record of eight wins and two losses. On our courts in the spring, one may see the boys striving to perfect their form under the coaching of Mr. Feller. Among the notable players were Captain Walt Fibiger, Ken Goettel, and Vincent DeMarco, the latter having the distinction of being the first freshman to receive a varsity award.

Intramural bowling takes place once a week under the coaching of Mr. Herlosky. Every week the top seven com-

pete in the county league. These high school bowlers are: Dave Silvernail, who averages 185; Mark Franchi, 182; Dennis Stone, 173; and captain Byron McCandless, 168. Others are Marty Stone, Jay Adams, and Vince Salerno who had helped N.S. win the championship last year. We are all confidently looking forward to another successful season this year.

Cheerleaders

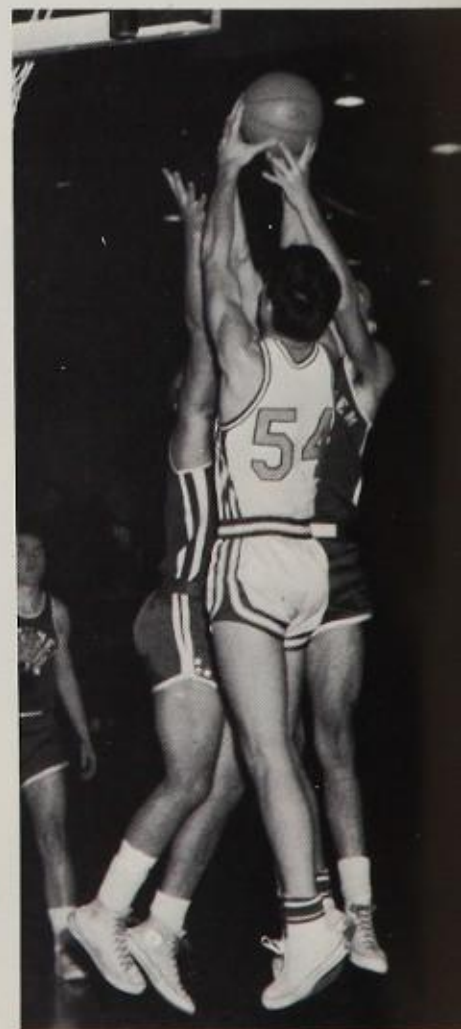

A lively example of true Northmen spirit is the NS cheerleaders. Their presence at soccer and football games have inspired both the victorious Northmen teams and the enthusiastic crowds on the sidelines. The cheerleaders serve to unite everyone on and off the field in a true

expression of school spirit. When they are not rousing teams or sponsoring a dance, they are hard at work, under the supervision of Mrs. Fuller. North Syracuse will always remain inspired by their expression of loyalty.

Relatively new at North Syracuse, the sport of field hockey has engendered among the student body an ever increasing interest each year. Under the leadership of their coach, Miss Klaskin, the girls improved their playing through practice and intramural competition. They were rewarded by a fine scoring season and noticeable team improvement.

Gymnasts from North Syracuse are famous throughout

the county. Hard work by the girls and unexcelled coaching by Miss Klaskin have resulted in a notable team. This year the team won honors at all meets and exhibited its skills before school and community.

The effort needed to be a gymnast is demanding and the willingness of the girls to put forth this effort created a team that deserves everyone's pride and respect.

This year the girls on the volleyball team left their mark on the county records. Enthusiastically they faced their foes and became county champs. This success was the result of the work of all who attended intramurals. In volleyball, as in all sports, they learned the importance of teamwork. The exhibition of all their skills reflected the determination and spirit found here at North Syracuse.

Each year girls at North Syracuse are given the chance to compete in intramural basketball. Under the direction of Mrs. Fuller, they work diligently perfecting their skills on the court. This year the girls combined individual skill, a love of the sport and team spirit to make a winning season.

Track and Field

One of the most versatile sports anywhere in track and field. The variety of opportunities provides many girls with a chance to excel in any one of dozens of events.

Achieving many competitive successes these girls, under the direction of Miss Klaskin, have borne the fruits of their

skills. Our "jumpers and sprinters" have worked together to provide North Syracuse with well-rounded team efforts.

The sounds of a bat striking a ball followed by the yells of eager fielders and expectant teammates join together to create joyful enthusiasm. As spring approaches, teams are formed and the diamond dust flies.

The newest addition to the Girls' Athletic Program is swimming intramurals. Throughout the school year the girls tramped weekly to the Randolph House. Starting at various levels of achievement the girls learn to swim and improve their skills. NS has now recognized the need for trained swimmers.

Soccer

This fall girls from North Syracuse once again participated in intermural soccer competition. The expert guidance of Miss Palma and the outstanding abilities of the individual players encouraged a remarkable team spirit, which helped lead us to a winning season.

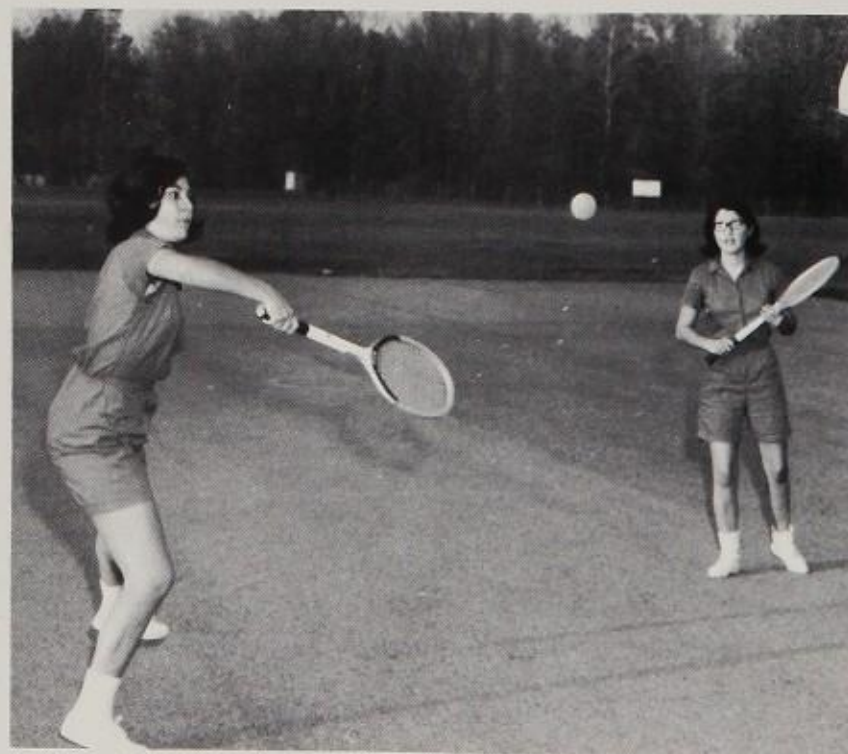

Tennis

FRONT ROW: K. Pickard, M. Legues, W. Knickerbocker, C. Dias, P. Breman, C. Gerber, B. Sanderson, D. Hill.

One of the most popular sports among teenagers today is tennis. As Spring approaches, many students flock to the courts and there remain until the nets are taken down. At North Syracuse many girls take advantage of the opportunity to play a few more games. As they race after the ball and rejoice in scoring points, the girls also learn.

Instructed by Miss Palma they improve their game and prepare themselves for a successful summer on the courts.

Each week during the winter sport's season, busses may be seen departing from the high school carrying enthusiastic girls to the bowling alleys. Under the direction of

Miss Palma, the girls' bowling teams compete with each other, improving their scores while having a fine time.

Already established as a boys' varsity sport at North Syracuse, lacrosse was introduced into the girls' gym classes last year. The girls found this sport fast-moving and exciting and hope to incorporate it into the intramural program.

Archery

Archery, a popular intramural sport which teaches marksmanship, restraint and patience, involves a great deal of accuracy and familiarity with equipment and technique. Indicative of these lessons learned are the ever-improving records of those who compete in these after-school sessions.

From among the most dexterous girl participants in the Physical Education Program, the Student Gym Leader's are chosen. Not only do these girls possess superior athletic ability but also the capability of being able to share their knowledge. The girls give of their time to assist the teacher in helping the student. In every class, the Student Leader

Leader's Club

becomes a familiar sight. Although she may not be so well versed as the teacher, her ability to communicate with her fellow students has often led her, upon graduation, to feats never before anticipated. Two qualities displayed by these successful leaders are a sense of humility and a desire to help one's peers.

Sports Award Assembly

In the spring, North Syracuse honors its athletes in the Sports Awards Assembly. The team activities of the past year are reviewed and the school's outstanding athletes,

male and female, are honored with special awards. The Sports Awards Assembly is designed to honor those who do not always receive recognition during the school year.

Trix's Own History

In September of 1963, we of the Great Class of '66 entered North Syracuse High School as Sophomores. Newly re-united after a one year separation (some of us were at Gillette and some at Roxboro), we wasted no time in setting to work. Mrs. Supnik and Mr. May were proudly chosen to be our advisors, and our Sophomore Cabinet was elected with Ken Goessling, President; John Zawadski, Vice-President; Sue Wolf, Recording Secretary; Laureen Anderson, Corresponding Secretary; and Linda Gelsomin, Treasurer.

Soon after, school tradition was broken when the annual Junior-Senior Christmas Party became a *Winter Wonderland* under Sophomore guidance. It was also during this time that our beloved and noble *Trix* became our mascot and *Together* was introduced as the class song.

The end of this informative year witnessed a highly successful stationery sale and the Sophomore dance *It's a Mad, Mad, Mad, Mad, May!*

The following fall we returned to N.S. feeling confident and really at home. Almost immediately, we were plunged into a whirlwind of class activities as the excitement and tension of the class election was climaxed with our selections of John Zawadski, President; Eric Strom, Vice-President; Shirley Richards, Recording Secretary; Linda Gelsomin, Corresponding Secretary; and Ken Goessling, Treasurer.

Soon after, on October 30, 1964, we sponsored the best Halloween dance that North Syracuse had ever seen, *Trix or Treat*.

Our Junior play, *The Imaginary Invalid* by Moliere, followed shortly on November 20 and 21, and it was equally successful. Through the able direction of Miss Scott and Sue Schroeder, and with the fine acting talents of Jeanni Tyrrell, Sally Henry, Gary Zinsmeyer, John Zawadski, and a host of others, *The Imaginary Invalid* merited much applause.

To promote class spirit and boost our treasury, we next sold class sweatshirts. Designed by Nick Smith, the sweatshirts were emblazoned with a picture of our noble leader *Trix* and the inscription *Class of '66*.

The final event of our Junior Year took place on March 26, 1965, as our long-awaited Junior prom, *Mist over the*

Orient, became a reality. Weeks of hard work were climaxed by a gala evening, during which Sue Schroeder and Dave Kneuss were proclaimed Queen and King.

Finally — Mighty Seniors! Hardly believing we had reached the summit of our high school careers, we decided to make our senior year the best ever. This task was begun by electing as our class officers Eric Strom, President; Sue Schroeder, Vice-President; Wendy Hoffman, Recording Secretary; Kathy Murray, Corresponding Secretary; and Paul Otis, Treasurer.

The year was officially started with the annual Senior Magazine Sale. Our efforts to "Sell, Sell, Sell" were rewarded as we topped all previous class sales and some \$5,500 was added to our class treasury. Dave Kneuss received a prize as top salesman with over \$350 in magazines to his credit, and through this added revenue, we were assured of our Senior Ball and Senior Outing.

The Class of '66 sponsored its Senior Spaghetti Supper the night of December 1, 1965. Both cafeterias were filled as the guests were treated to spaghetti prepared and served by the Seniors, and all agreed that the evening was well worth the while.

Our Senior Variety Show, in the form of an assembly for Seniors only, then took place. Gifted seniors were given the chance to display their talents to their fellow-classmates in an event that will not soon be forgotten.

Next came our Senior Play directed by Miss Schuldenfrei, held on March 18, and acclaimed a magnificent success.

Our unforgettable Senior Ball was then held on May 13 with the music provided by the orchestra of Sox's Tiffaught.

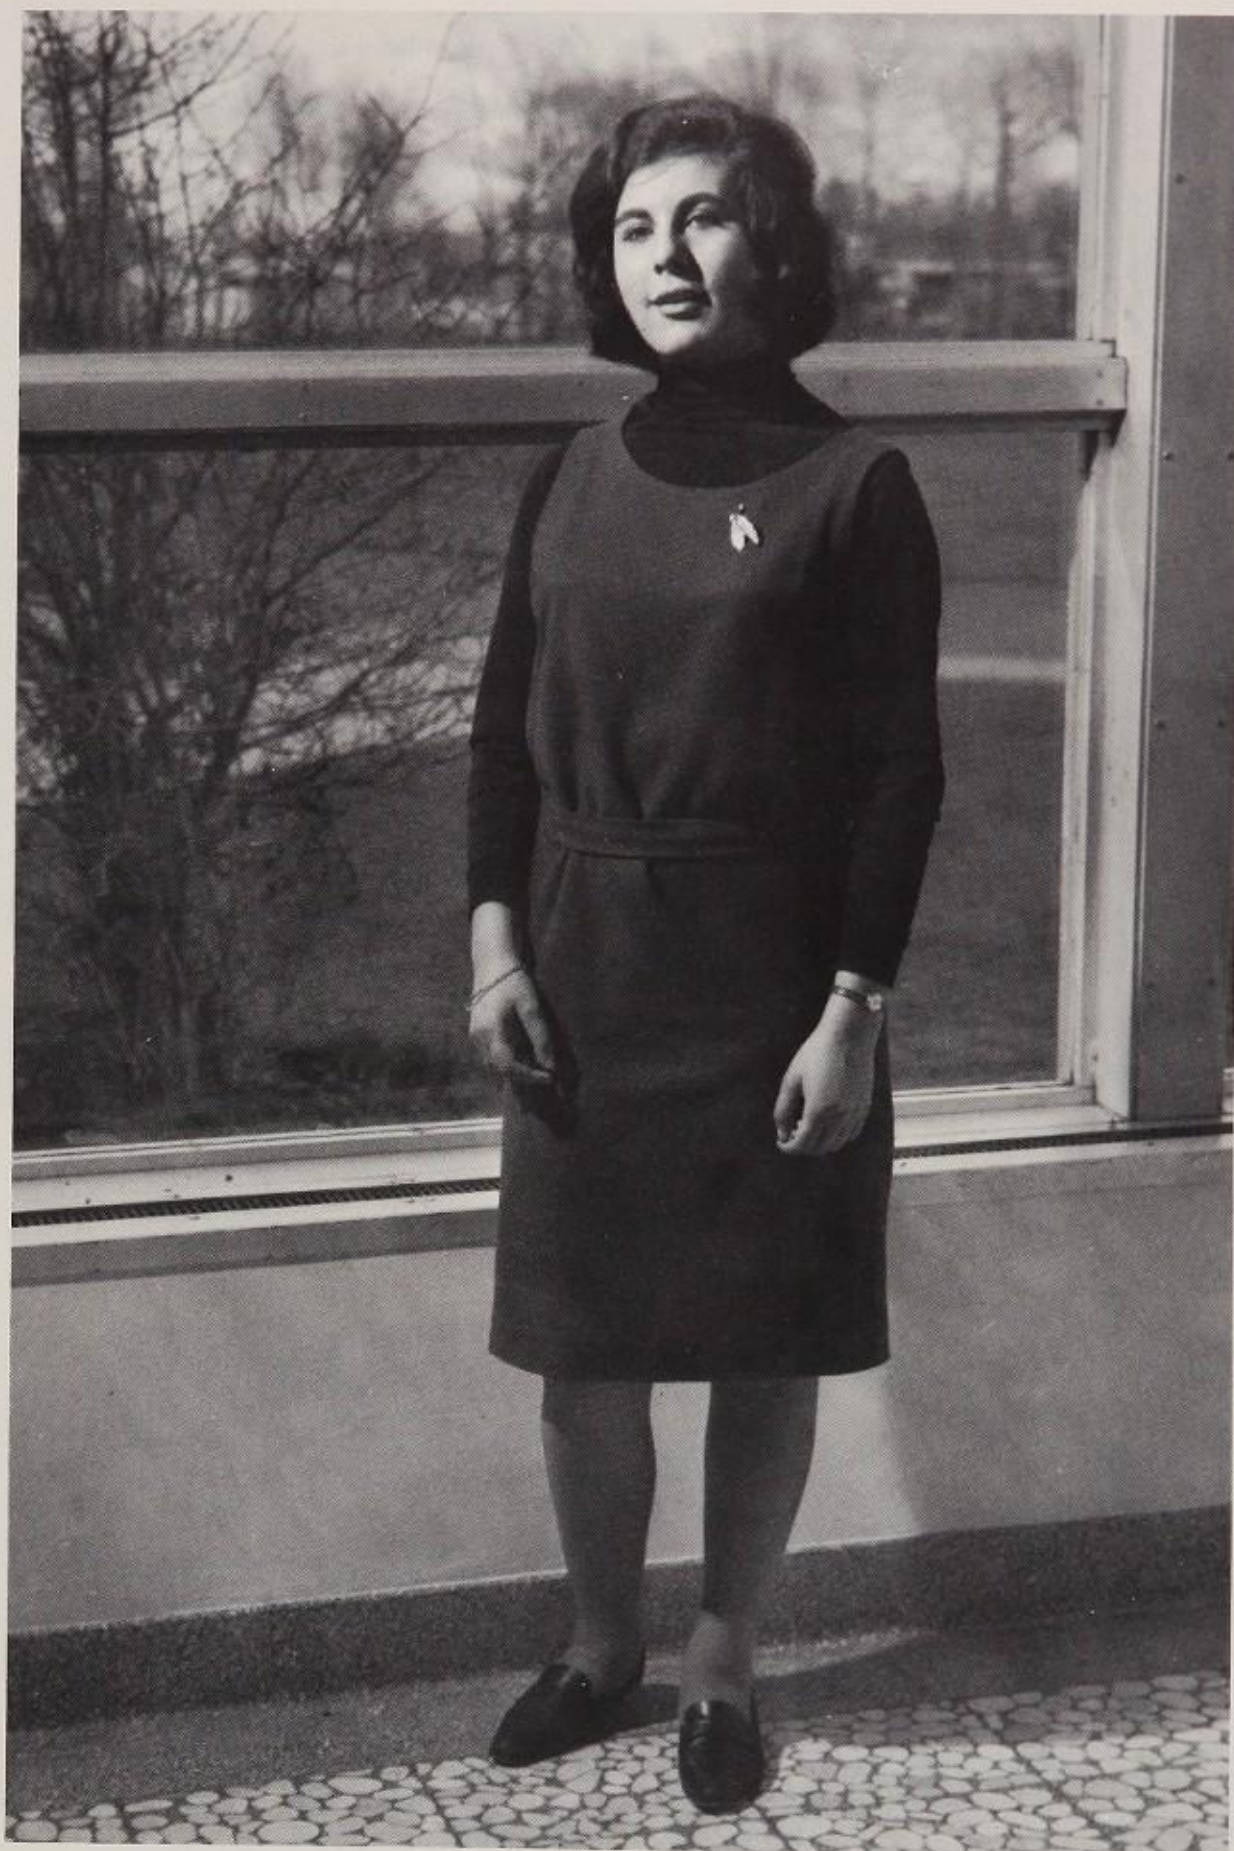

As the final weeks of school approached we made plans for the Senior Class Outing held at Ticanic State Park.

On June 27, 1966, we of the Class of 1966 will formally leave our high school years behind us as we are drawn to new horizons by the guiding light of the future. It is our hope that the memories of these, our high school days, will never be dimmed.

This year North Syracuse Central High School is fortunate to be the host school to Maria Legues, an American Field Service exchange student from Punta Arenas, Chile. An intelligent enthusiastic girl, Maria is a welcome addition to the school. She participates in extracurricular activities including Student Council, Senior Cabinet and Spanish Club, and is a member of the tennis and volleyball teams.

Although Maria comes from a school numbering about 800 students, she enjoys our "large" N.S.C.H. and is happily surprised at the intimacy of the students and teachers. The holidays of Halloween and Thanksgiving were also new to Maria and she enthusiastically enjoyed them.

With her eagerness to meet new people, learn American ways, and answer questions about her country, Maria is furthering a major goal of the American Field Service — to promote international understanding.

*Christina
Mancini*

Amid the lighthearted pace of high school life, death is not often a subject contemplated by students. But this year when a beloved friend was suddenly called by God, North Syracuse felt the loss of her presence. As the class of 1968 looks forward to its next two years of high school with all its activities, it will be remembering a fellow classmate, Christina Mancini, who will not have a chance to share in the joys.

Although Chris was at North Syracuse only a short time, she was known and loved by her fellow students. She was elected to Sophomore Cabinet and was active in class and school activities. With her overwhelming personality and winning sincerity, Chris compelled all who knew her to consider her as a valuable friend. We the students of North Syracuse Central High School pay tribute to Christina Mancini and will cherish always the light of her memory.

Rod,
Even though you're
just in study hall,
you're a great guy. (I'm
just kidding you know)
Never forget our great
study hall with "Mud"
Best of luck next year!
And you should hope to see
me. Always,
Chris

NORTH SYRACUS
CENTRAL HIGH SCHOOL

God,

Well you asked me to write in your yearbook. I really don't think you want me to but I will anyways. You told me to write something nasty if I didn't like what you wrote in my yearbook. The only trouble is - I can't think of anything nasty to say. As far as I'm concerned you are and always will be pretty high on my list of friends. You said you didn't want to be friends, but I really don't think that can be possible. You see I got over you in my sophomore year - after our wild Biology class. And I think I've gotten over you this year too. God, it's only hurting me more if we aren't friends. I feel like you really despise me - which really hurts me - like it would any other girl. At least we can speak and try to be friends. Well to leave the serious aspect of this "book" - you still have to teach me how to play golf - I've been looking forward to that for two years now and what's happened this year is not going to stop that. At least I hope not. If you think it's at all possible - on a friend relationship - you know where I live,

God I wish this hadn't happened this year because losing your friendship has meant a lot to me. It has hurt me even more than just saying "I don't like you" in fact you're not speaking to me has ruined my whole history class.

All I can say now is Best of Luck in the future - to one of the greatest guys in the world and the "TOPS" on my list. So please think about it and let's try to be friends. I'm used to getting hurt - it happens so often to me.

Friends always,
Jan
